2017 – 2018 10th | Sri Chaitanya School | 95%

PROFESSIONAL EXPERIENCE

Associate – Operations WNS Global Services, [Visakhapatnam, Andhra Pradesh]

04/2024 – 06/2025

- Executed daily operations in the [industry/domain – e.g., insurance, finance, travel, healthcare] process, ensuring timely delivery and quality compliance.
- Processed client data and transactions with high accuracy, consistently meeting or exceeding service level agreements (SLAs).
- Utilized tools such as [e.g., MS Excel, Salesforce, SAP, internal CRM] to manage, track, and report on operational activities.

PROJECTS

Spotify Homepage Clone | HTML, CSS, JavaScript

- Developed a responsive Spotify homepage clone using HTML5, CSS3, and JavaScript, closely replicating the original user interface.
- Designed a modern layout using CSS Grid and Flexbox for responsive alignment across desktop, tablet, and mobile devices.
- Implemented an interactive sidebar navigation, music playlist cards, and hover animations to enhance user experience.
- Optimized the UI with responsive design principles, ensuring compatibility across multiple screen sizes.
- Strengthened front-end development skills by recreating a real-world web application with pixel-perfect design and clean, maintainable code.
